Five New High Quality Fabric Pilot Bags at Economical Prices

New Windsor, NY, July 25, 2005 --- PilotMall.com Aviation Superstore® announced today that it is now shipping a new line of fabric pilot bags!

This fabric line includes pilot bags in small, medium & large sizes. We developed these products over the course of a year and enlisted advice from industry leaders in order to offer pilots a greater selection of pilot bags. Each bag is jam packed with features that were designed to enhance cockpit organization. Thanks to the assortment of styles, we have a bag that will fit any pilot's needs.

“PilotMall.com has been manufacturing Soft Leather Pilot Bags since 1999 and has gained a reputation for offering high quality, stylish leather pilot bags at affordable prices. Over the years we have seen a large demand for high quality fabric pilot bags and have designed this product line to fill a void in the marketplace” said PilotMall.com President Neil Glazer.
