St. Petersburg, FL – January 2, 2008 – PilotMall.com today announced the release of TravelMate. The TravelMate is a natural, non invasive solution for motion sickness associated with plane, boat, car, and thrill-ride discomfort. The TravelMate uses innovative design and painless electrostatic pulses to take the hassle out of traveling! TravelMate gently stimulates nerves inside the left wrist known to affect the nerves stimulation the stomach and the brain.

"Here at PilotMall.com, we understand that pilots occasionally have motion sickness and we wanted to provide our customers with a painless and effective way to eliminate this problem," said PilotMall.com President Neil Glazer. "After researching many products on the market, we found the innovative TravelMate to be the perfect solution for motion sickness. It can also be useful for your passengers that might be in need of motion sickness relief."

PilotMall.com is a specialized full-service aviation retailer offering over 4,000 aviation products. For more information about PilotMall.com Aviation Superstore® or our products, visit the web site at www.PilotMall.com or phone Alison Sagese at (727) 209-2586.
